

JOIN OUR TEAM!

Studentische/wissenschaftliche
Hilfskraft (w/m/d) gesucht!

Do you enjoy mapping?

Interested in participatory approach
to architecture and urban design?

A HIWI position is now available.

Join our project 'Accessibility Mapping' at the Chair of 'Architecture and Intelligent Living (AIL)'

We're on the lookout for a motivated student assistant, committing **20-30 hours** a month, starting at **the earliest** convenience.

Your Task:

- Diverse graphic design tasks, primarily focusing on mapping, and contribute to the layout of brochures, posters, and books

Your Qualifications:

- Proficient in Adobe Creative Cloud, particularly in Illustrator, InDesign, and Photoshop.
- Expertise in editing and layout across various publication formats.
- Proficiency in German and English.
- Demonstrated initiative, structured thinking

Ready to meet us? Send us your application documents in a compact .pdf format, max 10 MB, to Saebom.song@kit.edu

Application Documents:

- Brief CV
- Portfolio or collection of visualization
